Learning Style: Visual

Assignment:

Create a visual presentation outlining the roles and responsibilities within a project management team. Use diagrams, infographics, or visual aids to showcase the different roles, tasks, and communication channels within a manage team. This assignment will help you understand how to effectively manage a team and delegate tasks for successful project completion. Be sure to include key team members, their responsibilities, and how they work together to achieve project goals. Share your presentation with your team members for feedback and collaboration.
